

M-GLOVE DRAGO 2121X

EN 388:2016

2121X

CE
KAT II

EN21420:2020

Knitted protective gloves, coated with roughened rubber (latex) on the grip side, finished with an elastic cuff, 10G stitch. One of the most popular universal gloves.

The gloves belong to the class of Personal Protective Equipment (PPE) specified in the Regulation of the European Parliament and of the Council (EU) 2016/425 of 9 March 2016 on personal protective equipment and repealing Directive 89/686/EEC (Regulation of the Minister of Economy of 21 December 2005 - Journal of Laws No. 259 item 2173) and meet the guidelines of this directive. They have been classified in category II and comply with the EN388:2016 standard. The gloves comply with the requirements of the standards:

EN21420:2020 - "Protective gloves. General requirements and test methods."

EN388:2016 + A1:2018 - "Gloves protecting against mechanical risks."
